By checking this box, I understand that I am requesting that SafeRent Solutions, LLC ("SRS") place a freeze on the file it maintains about me. By doing so, I understand that (i) SRS cannot freeze my file if it cannot authenticate my identity using the information I provide; (ii) under applicable law, certain users may still be allowed to access my SRS file even when a freeze is in place, such as my existing creditors; (iii) that once a freeze is in place, if I submit an application with a new landlord or other SRS user, the user may not be permitted to access my consumer file unless I grant SRS permission to share a report (by lifting the freeze, or by permanently removing the freeze); (iv) that SRS resells consumer report information from other consumer reporting agencies, which may include, but may not be limited to, one or more of the three nationwide consumer reporting agencies (Equifax, Experian, and TransUnion), and even if I have placed a freeze on my SRS file, SRS may still resell another consumer reporting agency's report if I have not frozen my file with the other consumer reporting agency; and (v) it is my responsibility to comply with the SRS process regarding lifting or removing a freeze should I wish to do so at a later date.
