SafeRent File Freeze Request Form

SafeRent Solutions, LLC. is a reseller of credit information provided by the three national consumer reporting agencies (Equifax, Experian, and TransUnion). SafeRent Solutions does **not** have the ability to place a file freeze on your consumer credit report because we do not maintain your credit file.

However, we can place a file freeze on the data that SafeRent Solutions does maintain which includes reportable Housing Court Data.

*Note – SafeRent Solutions does **not** maintain any Address, Credit, or Criminal data in our internal databases.*

In the future, if you are planning to apply at any SafeRent Solutions client, you will need to submit a request to lift the file freeze by calling (888) 333-2413 during normal business hours, which are Monday through Friday 8:00AM to 6:00PM Central Standard Time, or by email at Consumer@safereentsolutions.com for your file to be released to the Property. You must supply the File Freeze Request form with proper identification for SafeRent Solutions, LLC. to process a temporary or permanent lift.
